

Accord Speedway

2009 Demolition Derby Rules

www.accordspeedway.com 845-626-3478

1. Drivers must be at least 16 years of age. If under 18 a signed parental release must be on file at the speedway.
2. All drivers must wear an approved Snell2000 or newer helmet. A fire suit is recommended.
3. All drivers must be signed into pits and have a wristband in order to compete.
4. All glass must be removed; any glass or pieces removed at the speedway are the driver's responsibility to remove from the racetrack grounds.
5. Seats may be removed, drivers seat must be securely fastened.
6. Seat belt must be securely attached to the frame.
7. Doors must be fastened shut-welded, chained or bolted.
8. Front and rear bumpers and sheet metal may not be reinforced.
9. Chassis may not be reinforced.
10. Battery may be repositioned anywhere under the hood-must be secure and covered.
11. Gas tank may be relocated in the trunk, must be securely attached.
12. A steel firewall must be in place where the rear seat was located, and any holes in the front firewall must be sealed.
13. Hood and trunk must be able to be opened for inspection.
14. No ballast or tires in trunk.
15. Sub compacts allowed only in the 4 cylinder race-no pick ups or convertibles allowed.
16. All fiberglass, plastic and chrome must be removed.
17. All wheel weights must be removed.
18. Driver's door must be painted white. If car is white, door must be black.
19. Hole must be cut in center of hood-11" x 11".
20. Bombers may be chained to frame.
21. Cars must make a hit every 60 seconds on live car.
22. Any areas not covered in the rules are left up to the discretion of track management. Management reserves the right to refuse entry to any competitor.
